Description

Beautiful 3 bed apartment in the glorious area of La Quinta -Marbella. The views from the large outside terrace are exceptional, What better way to enjoy an alfresco meal or cocktails , than to take in the stunning views over the golf course , surrounding country side and mountains beyond. The interior has a bright and modern feel and includes a large living living/dining room , fitted kitchen and three bedrooms also with fitted wardrobes, some of which including the master have ensuite bathrooms. One of the excellent features of this property is the large basement area which could be transformed into what ever " your hearts desire" . Perhaps a gynasium , games room or cinema. This is an ideal holiday apartment especially for keen golfers or could be a superb rental investment.
